City of Creighton Summary of Significant Forecast Assumptions September 30, 2013 and 2014

This financial forecast presents to the best of management's knowledge and belief, the City's expected cash receipts and disbursements for the forecast periods. Accordingly, the forecast reflects management's judgement as of the date of this forecast, the expected conditions and its expected course of action. The assumptions disclosed herein are those that management believes are significant to the forecast. There will usually be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

### 2013 Amounts

à.

Receipts and disbursements for the year ended September 30, 2013, are based on actual amounts through July 31, 2013, and estimated amounts for the remaining two months determined in most instances by the average monthly historical amount.

### General.

The budget for the year ended September 30, 2013, was developed based on amounts approved by the governing body as an upper limit on expenditures.

### Revenues

Revenues for Equalization Aid and State Highway Allocations are based on estimated amounts provided by the State of Nebraska.

Other non-tax sources are based on the prior year's amounts.

No significant increases in revenue sources are expected.

### Disbursements

Disbursements for the year ended September 30, 2013 are based in general on historical amounts adjusted for an approximate inflation rate of 2-3%. Expenditures for special projects and capital outlay are based on engineer estimates or amounts approved specifically in the budget by the governing body. Debt payments are based on current repayment schedules.

See Accompanying Accountants' Report
